

Covid-19 Procedure

Below are the rules we have put in place to manage the risk of spreading COVID-19 when visiting Rope Race Climbing Centre

If you or anyone in your household has either tested positive for COVID 19 or showing any symptoms, please do not come to Rope Race. We will look forward to seeing you when permitted as per government guidelines.

We have upgraded our software that manages our membership database. If possible, please re-register online before coming to Rope Race.

We are complying with the governments `Track and Trace scheme`.

When climbing, respect other customers social distance and wherever possible keep 2 metres apart and follow standard climbing wall etiquette.

Please come to Rope Race in the clothes you intend to climb in.

We will be wearing face coverings and we ask you to do the same in non-climbing areas. To be updated with government guidelines.

We will be wiping down surfaces that are regularly being touched and used.

Please bring your own water bottles.

Please use hand sanitiser before entering the centre and before leaving. Hand sanitizing stations will be available at the entrance and exit and throughout the centre.

Please pay attention to signage around the centre.

Toilets, customers should adhere to government hand washing protocols after using the facilities.

Only registered junior climbers (aged 14) may climb unsupervised.

All other registered junior climbers may climb under the supervision of a centre instructor or registered climber.

School Use

- Groups to be made up of class or year bubbles.

For instructed sessions, please wear a face masks whilst in non-climbing areas, you can remove your mask when climbing as per government guidelines.

All climbing equipment will be quarantined after each session.

This will be reviewed to keep inline with Government regulations.
